Experiences & Activities

Kolbe Summer Research Fellow June 2026–July 2026

Gettysburg College

- Designed a scientifically scaled, 11-station Planet Walk linking the campus Planetarium and Observatory; mapped the route and evaluated marker locations for visibility and accessibility.
- Developed ceramic planetary markers through carving and 66 material and glaze tests; created four digital mural panels, printed on vinyl for installation at the Observatory.
- Built an interactive companion website featuring a campus map, planet information pages, and a station-by-station walk tracker to support educational outreach.

Art History Summer Digital Fellow June 2025–July 2025

Gettysburg College

- Conducted archival and visual research on Dr. Gan Yu's *Wall Street* series and participated in an artist interview to investigate how his participatory painting could extend into a digital space.
- Translated research findings into *A Digital Moving Mountain*, an interactive website presented in *Footprints Across the Ocean*, enabling visitors to contribute typed and handwritten responses directly onto images of the original art.
- Authored an exhibition catalogue essay examining the research and design decisions behind the digital extension, with guidance from faculty and gallery mentors.

Photography & Digital Media Peer Learning Associate Sept 2026–Present

Gettysburg College

- Support students in digital media and photography courses through in-class assistance, weekly studio hours, and individual and group tutorials.
- Demonstrate digital imaging, camera, and course-specific workflows while troubleshooting common technical challenges and explaining techniques through verbal, written, and visual instruction.
- Help cultivate an inclusive and collaborative studio environment by providing peer mentorship, assisting with course logistics, and maintaining professional standards for student confidentiality.

Program Coordinator Aug 2024–Present

Office of Campus Life

- Organized campus events focused on cultural exchange and inclusivity, leading teams for impactful programming.
- Developed leadership skills while working with diverse student groups to foster a sense of belonging and community.

Design & Social Media Chair Jan 2026–Present

Center for Religious and Spiritual Life

- Lead the Center's visual identity and social media, creating cohesive digital and print content to promote interfaith programming and increase student engagement.
